My Fitness 365

Warm-up (5 min): 3–5 minutes of easy movement: marching on the spot, arm circles, or an easy spin on the bike · 10 slow arm swings across the chest and 10 overhead reaches · 10 bodyweight squats to the bench.

1 Single-arm dumbbell row

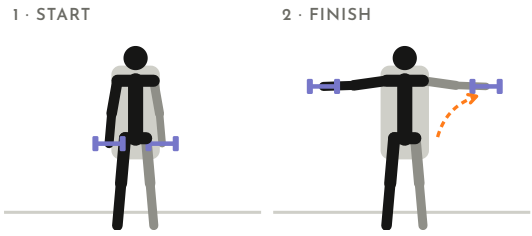

2 × 10–12 reps each side · rest 90s

Start weight: **6–10kg**

One knee and hand on the bench, back flat, arm hanging → Pull the dumbbell up to your hip.

Avoid: twisting the torso to heave the weight up.

2 Incline rear-delt dumbbell fly

2 × 12–15 reps · rest 60s

Start weight: **Lightest controllable setting**

Chest on an incline bench (seen from the front), arms hanging → Raise the arms out wide, slight bend in the elbows.

Avoid: using too much weight.

3 Dumbbell hammer curl

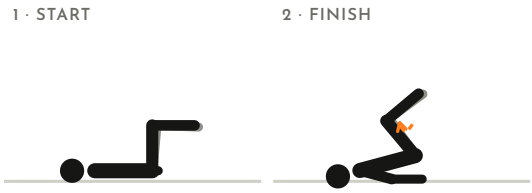

2 × 10–12 reps · rest 60s

Start weight: **4–6kg each**

Stand tall, palms facing in → Curl up, elbows staying by your sides.

Avoid: swinging the body.

4 Reverse crunch

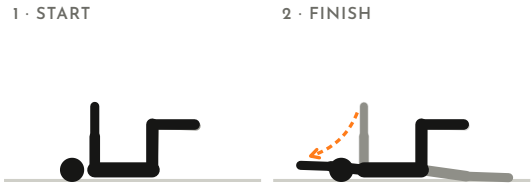

2 × 10–15 reps · rest 60s

Start weight: **Bodyweight**

On your back, knees bent at 90° → Curl your hips up, knees towards your chest.

Avoid: swinging the legs.

W1	W2	W3	W4	W5	W6	W7	W8

5 Dead bug

2 × 8 reps each side · rest 60s

Start weight: **Bodyweight**

On your back, arms up, knees at 90°, lower back pressed down → Lower one arm and the opposite leg, then swap.

Avoid: lower back arching off the floor.

W1	W2	W3	W4	W5	W6	W7	W8

Every set: stop with 2–3 reps left in the tank · controlled lowering · breathe out on the effort · stop for any sharp pain.
